

Our Purpose

Spiritual

Teaching children to see...

- 1) God as the One who created us and our world
- 2) Jesus loves them — no matter what!

Social/Emotional

Children learn about friendship, respect for authority, forgiveness from friends and teachers, and playing together.

Physical

Guided physical activity will help to:

- Develop spatial awareness
- Fine and gross motor skills
- Hand-eye coordination

Intellectual/Cognitive

School readiness is the goal as children learn through play, themes, and activities designed to enhance focus & concentration and to develop a love for learning!

Wildwood Preschool is a ministry of Wildwood Church to our community. Our program is licensed through the Association of Christian Schools International (ACSI).

Having Fun & Learning Truth

What We Do

Chapel

Each week in the sanctuary we hear truths from the Bible, and worship God by praying and singing together.

Library

Children get an early introduction to literacy through creative, theme-based activities and books.

Spanish

Children are introduced to the Spanish language in their VPK year. This will aid in a student's listening, memory-retention, and problem solving skills.

Art

Children get a chance to express their creativity and uniqueness through various activities and fun projects.

Physical Education

A time to build fine and gross motor skills through movement.

Curriculum

2 & 3 Year Olds

We offer a play-based curriculum to develop skills such as sharing, caring and working together. We believe children learn during meaningful play under the guidance and dedication of Christian teachers (ABC's and 123's are offered).

4 Year Olds (VPK)

Our play-based curriculum is combined with early stage academics featuring Language Development, Mathematics, Science, theme-based activities, and Bible. Outside play is part of our everyday routine.

Our goal is to instill in each child a love for learning as we partner with families to provide a Christian education in a fun environment.
